

FOR IMMEDIATE RELEASE-APRIL 17, 2013

West Coast Pedal Board (<http://www.westcoastpedalboard.com>), the premier manufacturer of world class pedal boards, is proud to announce their Sponsorship of the Save the Show Foundation.

West Coast Pedal Board is a USA based and Made in America musical oriented company in Windsor, California. Creating pedal board solutions for all types of players through innovation, constant and consistent product developments and intuitive West Coast exclusive features.

The Save the Show Foundation (<http://www.savetheshowfoundation.org>) is a non-profit organization created both to support those in the entertainment production industry during times of tragedy or crisis, and to develop, promote, and direct initiatives designed to encourage public awareness and advancements in industry practices and safety methodology.

Global Safety Partnership (<http://www.globalsafetypartnership.com>) fully supports the efforts and the goals that the Save the Show Foundation champions, and looks to assist in any way possible.
